Element One Element Techno (WAV): Element One proudly presents Element Techno A deep and immersive exploration of the diverse sounds of Techno that is inspired by the works of Kaspar, Ben Klock, Flug, Clouds, and Marcel Dettmann. The pack, which weighs 514MB, comes with an array of one-shot samples and loops with a beat of 130 bpm. It's ideal for the most cutting-edge techno producers seeking to explore and broaden their sound.

Drum Loops and Top Loops mix slamming and minimal vintage a variety of drum loops that are experimental, and Top loops that are a perfect match (kick gone).

Kick, Hat Ride, and Percussion Loops a diverse collection of Kick the Ride, Hat, and Percussion patterns to add more groove, variation, and texture.

Synth Loops and One Shots A variety of hypnotic leads and Plucks.

Bass Loops and One Shot: including Acid Basslines and Swells Drones, Plucks, and Subs.

Synth Sequence Loops include analog riffs modular sequences Acid toplines, synth lines, and haunting melodies.

Synth Chord Loops and One Shots Minor Chord pulses Swells Rave Stabs as well as rhythms.

FX Loops: Drones, Bells, Industrial Hits, and Swells.

FX One shots: Glitches or Risers Reverb FX, Industrial and Metallic one shot, Deep one-shots, and Synth FX.

Drums and Percussion one-shot Claps, Kicks, and Rides Snares, Drums, and Percussion to build your own grooves starting from scratch and give a new twist to patterns already in place.

Background and Atmosphere Loops: Dark Atmospheres, Foley, Pulses, Side-chained Noise, and Synth Atmospheres.

The sounds are all available in HD WAV format at 44.1kHz as well as 24bit. They are all labeled with tempo to let you explore them with ease. All one-shot and loop samples are royalty-free.
