15 Pro Ultra Landscape Outdoor Lightroom Presets By evolysdigital

2025-02-10 17:09:28 label 我要反馈 下载页面

1. 2.

The 15 Pro Ultra Landscape Outdoor Lightroom Presets by evolysdigital offer a versatile solution for photographers, graphic designers, and style bloggers to enhance their outdoor landscapes.

Compatible with Lightroom 6, 5, and CC, these presets elevate images with just one click while allowing for customization to suit individual preferences. Supported file formats include RAW, DNG, PSD, TIFF, and JPG, offering flexibility in editing. However, caution is advised with overexposed, underexposed, background-less, or low-quality images, as the presets may not yield optimal results in such cases.

How to edit images in Lightroom using presets?

You can use "15 Pro Ultra Landscape Outdoor Lightroom Presets By evolysdigital" to edit your images.
