Aotbb Afrobeats Melodist Loops and One Shots (WAV, MIDI): Dive into the vibrant world of Afrobeat music with "Afrobeats Melodist - Loops & One Shots" by ASHKA, the perfect companion to "Afrobeats Drummer." This comprehensive pack boasts over 300 Instrument One-Shots and 4 Melody Loops, complete with stems and MIDI Files. Drawing inspiration from Afrobeats luminaries like Wizkid, Rema, Dbanj, Davido, and more, this sample pack is designed to elevate your productions with authentic Afrobeat vibes.

Inside "Afrobeats Melodist," you'll discover a treasure trove of high-quality loops and one-shot instruments, ranging from Plucks, Flutes, Guitars, Synth Leads, Pads, Keys, to Ethnic Sounds, and beyond. With these diverse elements at your fingertips, you'll find everything you need to infuse your tracks with the infectious energy of Afrobeats.

Never again will you need to scour the internet for the right sounds – 'Afrobeats Melodist' is your go-to resource for crafting dope Afrobeats effortlessly. Please note that the demo drums are not included in this pack; for drum sounds, explore the companion pack 'Afrobeats Drummer.'

Pack Details:

- 4 Melodies (Stems Included)
