**Shadow Photo Overlays Vol.4:** Being an artist means seeing beauty in every little detail and creating it using simple things. Similar to shadows or the sun's rays that can be found in any creator's toolbox at any time they require use them. With their assistance, they can bring life into any scene and tell a story without putting anything particular in it the story, or play with volume and emphasize the emotional aspects. There's a good chance you've been amazed by a painter's or photographer's work, where a perfectly laid shadow can be the most significant game changer. With our latest version of **Shadow Photo Overlays**, You can create any kind of emotional effect in your work!

Moony, mysterious, poetic and slouchy, sophisticated and classy -- it's an atmosphere you'll be able to convey with this huge collection. The collection includes **over 30 overlays of shadows** that we've shot and then meticulously digitized. Imagine the entire shadow-hunting process we've done! These overlays will become the crown jewel in your toolbox and you're welcome to make use of them anytime you're looking to add real-world appeal to your work: photographs, mockups of branding, scenes for branding, or whatever else you need.
