Cozy Days Stamp Set for Procreate CM - 6873745: The cozy Cozy Days Stamp Set for Procreate. Beautiful hand-drawn stamp brushes featuring books, windows, shelves, and armchairs, as well as plants furniture, as well as other interesting accessories to help you design the space of your dreams. Additional graphic files are included also, even if you do not possess Procreate.

Let's go hygge! Create comfy rooms and setting for any season easily. Utilize the stamps to make your life easier in making backgrounds for your illustrations using this multi-purpose brush set! Simply install the brush set into Procreate and then tap to stamp your canvas. You can make use of the stamps for your Bullet Journals, create cute stickers, add some flair to your photos, and use them to scrapbook or create simple layouts to showcase your work. Are you looking to create a cozy place but aren't sure what to draw? Simply stamp a few items and place them in a way that you are satisfied!

- 1 x Procreate stamp brush set, containing 156 elements
- The file contains 155 elements of data in PNG format with a transparent background (4000 pixels by 4000 pixels). It can be used with the majority of photo editing software
- There are 154 elements with 154 parts in JPG format with a white background (4000 4000 pixels). This format is compatible with the majority of editing programs for photos. The Rattan pattern does not come as a pixel file!

Please be aware: The brush set is only compatible with Procreate using the iPad. It isn't compatible with photoshop or any other program. However, if you don't own Procreate, you can make use of the jpg and png files to create beautiful artwork.
