Wethesound Hyperspace V2 (WAV, MiDi): Prepare to dive back into the captivating universe of our "Hyperspace" series with Volume 2, propelling your music production into unexplored realms! "Hyperspace V2" offers 5 explosive Trap Beat Construction Kits meticulously crafted at a professional level. Each sound and beat composition carries an intoxicating blend of dreamy and ambient vibes, creating immersive atmospheres that will elevate your productions to new dimensions.

Drawing inspiration from chart-topping albums like Drake's Scorpion and Travis Scott's Astroworld, this kit seamlessly fits into the styles of various artists, including JuiceWRLD, The Weeknd, G-Eazy, Drake, Bryson Tiller, Tory Lanez, NAV, and many more. Whether you're in search of hard drum lines, booming 808s, or dark piano and guitar melodies, "Hyperspace V2" is tailor-made for your needs.

Designed for maximum flexibility, each Beat folder includes high-quality tracked-out WAV files and MIDI files. With a total of 94 WAV samples in 44.1 kHz / 24-bit quality, this pack guarantees premium sonic content. The comprehensive 71 MIDI files, along with tempo labels and beat previews, offer you the tools to bring your creative vision to life. Boasting a generous 1.37 GB of content, this pack ensures a wealth of options for your productions.

Compatible with all major DAWs, such as FL Studio, Cubase, Logic, Studio One, and Reason, "Hyperspace V2" seamlessly integrates into your workflow. The best part? Everything included is 100% royalty-free, granting you the freedom to use the content without limitations.
