Surreal Mirror Effects (Videohive 43560937): Create surreal art in Davinci Resolve in just a few clicks! This pack comes with 11 macros inspired by surrealism that are entirely customizable, and you can modify the mirror as well as the grain and flicker parameters. Include camera animations using simple sliders.

This unique overlay effect creates a unique overlay effect that will transform your image or video into amazing 3D mirror footage. Ideal for Halloween, horror, and space films, or even make it part of your next music video with lyrics as an NFT promotional portfolio, photography portfolio, or stylish YouTube intros.
