Domestika – Drawing as a Creative Base: Discover how to translate your ideas onto paper through focused observation and documentation exercises.

According to visual artist Alex Arizmendi, the creation of a visual work doesn't commence when the hands start drawing; it begins in the meticulous observation and preliminary investigation process. With over 15 years of professional experience collaborating with clients like Warner Music, Editorial Televisa, and Marvel Comics, Arizmendi staunchly advocates for this theory, demonstrating its effectiveness in his impressive work.
