- This Fairy novel is beautifully suited to this family record, magical history, each Event, plus far more. You can easily use some of your photographs or movie snippets, Also as some of your own text.
- The job utilizes prerendered mov documents that were created for realism in 3D.
- I used one extra plugin Trapcode Particular since desired to create Exquisite particles.
- You May use picture frames or photographs with them, in Addition to pre-cut photographs in Photoshop.
- As always It's Very Simple to Use, you just insert your photographs or some other networking And text, then you may use vertical or horizontal photographs, the job supplied.
- Audio effects are contained in the undertaking
