Roli Equator2 Orchestral Ensembles Soundpack:

Carefully extracted from recordings of expansive, professional orchestras, this high-end sound pack showcases intricately detailed presets for strings, woodwinds, and brass sections. The collection also encompasses nuanced blends that collectively recreate the symphonic grandeur of a complete orchestra. Ideal for crafting sweeping cinematic scores or infusing any track with a classical essence, Orchestral Ensembles stands as a premier demonstration of traditional acoustics rejuvenated in the expressive, electronic realm of Equator2.

This comprehensive package includes 52 MPE and 51 Standard presets, featuring a rich array of 497.4 MB of sample content.
