

## Poster Pop Art Photo Effect - 279935107

2025-02-10 16:40:32 label 我要反馈 下载页面

### Poster Pop Art Photo Effect - 279935107:

The "Poster Pop Art Photo Effect" allows users to create high-quality, customizable images quickly with Photoshop.

Utilizing Smart Object layers, users can easily replace placeholder images with their own by double-clicking the layer, adding their graphics, and saving the changes.

The effect also includes adjustment features for final composition tweaks.

The package contains two PSD files with resolutions of 4500x3000 px and 3000x4500 px, both at 300 dpi.
