**Midilatino Multiverse Bundle (WAV):** Introducing Midilatino's groundbreaking collaboration with Hydra, a Multi-platinum producer hailing from the enchanting island of Puerto Rico.

Hydra's influence extends to notable albums like "Sr Santos y Los Favoritos 2" by Arcangel and "The...", showcasing his significant contributions to the music industry.

**Included in this exclusive collaboration:**

- 30 Samples (MIDI & Stems)
- 30 Drum Loops
- 50 One Shots
- 60+ Drums
- 35 Bonus Industry To Go Drums
- 20 Multiverse's Exclusive Midis

This collection encapsulates Hydra's signature sound and promises to elevate your music production experience with a diverse range of meticulously crafted elements.
