# Aescripts Comp Buddy v1.0 (Win, Mac)

2025-02-10 16:45:02　　label 我要反馈　　下载页面

Aescripts Comp Buddy:

Edge blurs play a crucial role in the compositing process, enhancing the integration of live-action and CG elements. They help achieve a more polished look by allowing for light wrap effects and softening the edges of various layers.

- one-click applications for edge blur and light wrap
- customizable edge width
- ability to blur edges of sharp 3D renders
- text
- shape layers
- layer with an alpha channel.
