Mushroom Wonderland: Learn to Draw Cheerful and Cute Mushrooms in Procreate: In this class, we'll embark on a delightful journey to draw a handful of adorable mushrooms. Get ready to discover the art of creating cute pictures through simple techniques. We're starting from scratch without prior experience or elaborate tools.

This class unfolds entirely in Procreate, but if you prefer other software or want to explore traditional materials, feel free to join in! Throughout the class, we'll delve into:

- Gradients
- Alpha Lock, Clipping Masks & Blending Modes
- Warp Tool

Upon completion, you will:

- Obtain four fully colored illustrations of charming mushrooms, perfect for use as clip art or standalone digital or printable illustrations.
- Grasp the basics of crafting cute characters.
- Feel equipped to embark on your journey of creating kawaii pictures.

All class materials, including the color palette, can be found under Resources. Let's dive into the world of cute mushrooms and unlock the secrets of bringing adorable characters to life!
