illustrator plus : 30 days challenge to learn illustrator: This comprehensive program will teach you graphic design and Adobe Illustrator software in 30 days. Whether you're a beginner or looking to advance your skills, this class will guide you through every step until you can create designs independently.

The class is structured into four weeks:

- **Week 1: Basics and Interface**
 - Learn the fundamentals of the software and navigate the interface
 - Understand the layers system and essential tools like the pen and pencil tools
- **Week 2: Tips, Tricks, and Techniques**
 - Discover time-saving tips and tricks
 - Master color techniques, brushes, text editing, and creating effects
 - Dive into creating 3D shapes effortlessly
- **Week 3: Commercial Designs**
 - Explore creating commercial designs such as flyers, logos, business cards, and t-shirts.
- **Week 4: Advanced Designs**
 - Delve into advanced designs like posters and ads
 - Apply techniques learned in previous weeks to create professional and creative designs.

By the end of this class, you'll have the skills to create any design you desire and potentially work as a graphic designer, adding a valuable skill to your resume. Join us on this journey to unlock your creative potential with Adobe Illustrator!
