The Ultimate Bundle for DaVinci Resolve is designed for YouTubers and includes four preset packs: Essential Presets, Animation Presets, Camera Shake Presets, and Like & Subscribe Call to Action.

These packs, used daily by Finzar, are recreations of popular Premiere Pro presets and are ideal for both beginners and intermediate editors.

- **Camera Shake Preset Pack:** Offers smooth, light, medium, heavy, and earthquake shakes to enhance your videos, easily applied via drag-and-drop.
- **Essential Presets Pack:** Contains over 100 presets across subtitles, video FX, slides, transitions, and audio FX for seamless editing.
- **Animation Presets Pack:** Features a variety of animations, including 3D, movement, shakes, and effects to bring characters and elements to life.

These packs primarily support 1920x1080p, and 60fps projects, but can be used with 4K and other frame rates.
