

Ashampoo - Photo Optimizer v11.0 (Win)

2025-02-10 16:52:48 label 我要反馈 下载页面

Ashampoo - Photo Optimizer:

Ashampoo Photo Optimizer 10 is a powerful, user-friendly photo enhancement tool designed to optimize and transform images with minimal effort. Featuring one-click auto-optimization, it improves brightness, contrast, and perspective while addressing common photo issues like red eyes and misaligned shots. The latest version introduces lookup table (LUT) support, offering over 30 artistic effects to adjust color, saturation, and mood instantly, with options to download custom LUTs for added versatility.

"Ashampoo - Photo Optimizer" Sample:

include advanced perspective correction, customizable Favorites menus for quick access to tools, intuitive white balance and contrast adjustments, and efficient batch processing to optimize entire photo libraries.

Additionally, users can crop, retouch, and add effects creatively, making it suitable for vacation, wedding, and portrait photos.

The program supports multiple export options, including email sharing and desktop backgrounds, as well as space-efficient high-quality printing. Ashampoo Photo Optimizer 10 combines simplicity with advanced tools for photographers looking to save time while achieving professional-quality results.
