**Aged Paper Photo Effect- 280307440:**

The **Aged Paper Photo Effect** enables the creation of high-quality, vintage-style images with ease.

Using Smart Object layers, this effect allows for full customization and flexibility.

Users can replace the placeholder image by double-clicking the layer thumbnail, adding their own graphics, and saving the changes to see the effect in action on their Photoshop artboard.

The package includes two high-resolution PSD files (4500x3000 px and 3000x4500 px, both at 300 dpi), with additional adjustment options for fine-tuning the final composition.
