

Spherical Video Wall Intro Pack (Videohive 38873965) - AE Project

2025-02-10 16:40:32 label 我要反馈 下载页面

Spherical Video Wall Intro Pack VH-38873965: Spherical Wall Video Intro Pack is an intro pack that focuses on the idea of a broadcast video wall that has several video screens. It comes with two types of intros and three loop-able video scenes. You can upload your own videos or upload your photos to the project to promote your video or stock footage, video, and images. There's an AE script that is included within the package to upload your images or videos to the videowall simply with one click. Take a look at the tutorial video to learn more about how it operates. It is easy to edit the project that doesn't require any plugins. The Project has more than 508 placeholders for photos and video. The project is created using a Full HD resolution 1920x1080 version. This project is compatible with Adobe After Effects CC2019 and later versions. The stock footage and music included in the previews are not included.
