Retro Opener (Videohive 33790799): Are you searching for an old-fashioned slide show that can draw your attention to the generation of millennials? Today social media is an integral part of life, and video content is what it's at. They're always connected and constantly looking for the latest, trendiest and engaging videos. The most effective way to market to the young generation is entertainment. This retro-themed project features innovative and unique overlays and transitions that incorporate film grain, scratch, and color to give your videos or photos the perfect look in just a few minutes

Create a stunning social media video to share on the platforms you use for your YouTube, Instagram, Twitter, Facebook, or Tik Tok. Leave a lasting impression! Download Right Now!
