

Paper Instagram Frame After Effects Template (Videohive 45190330) - AE Project

2025-02-10 16:37:17 label 我要反馈 下载页面

Paper Instagram Frame AE Template VH-45190330: The paper Instagram Frame After Effects Template is a customizable template that can be used to create an Instagram-style frame. The template has a texture overlay that gives an old-fashioned, more textured appearance.

Users can easily modify the template by incorporating their videos or photos into the frames, altering the color and text to reflect their branding, and adjusting the duration of animation and style. It is fully compatible with Adobe After Effects and requires no additional software or plugins.

The final video can be exported in different sizes and resolutions. This makes sharing simple on social media platforms like Instagram, Facebook, and YouTube. Paper Instagram Frame After Effects Template Paper Instagram Frame After Effects Template is ideal for making captivating video posts for social networks, promo videos, or personalized messages for special occasions.

Overall, the template is an excellent tool for social media marketing, content creators, and those who want to add an individual touch to their Instagram videos or posts.
