Sweet Soul Studios: Beautiful Freckles: Let those gorgeous natural freckles sparkle with this easy-to-use mask-on-action. Check your version of Photoshop since it requires access to the camera raw filter.

I've designed these gorgeous Photoshop actions that will accelerate your editing process. Some transform images with just one click.

It is important to note that actions are not meant to substitute for education. I always suggest editing tutorials before actions to ensure they are the most beneficial for you.
