

Mixed Media Animation: Unleash Your Creativity in Procreate Dreams

2025-02-10 16:48:48 label 我要反馈 下载页面

Mixed Media Animation: Unleash Your Creativity in Procreate Dreams: Welcome to the enthralling realm of mixed media animation, where creativity knows no bounds. In this dynamic class, you'll explore blending various mediums to breathe life into your animations using Procreate Dreams. From melding art, textures, and colours with digital effects, you'll learn to craft mesmerizing visuals that convey your unique artistic vision.

Who this course is for? Individuals passionate about animation seek a fresh avenue to express their creativity.

Level: Suitable for beginners to intermediate levels.

Requirements: An iPad with Procreate Dreams and an Apple Pencil.

Prerequisites: While familiarity with Procreate Dreams is advantageous, I'll guide beginners through basic concepts to facilitate understanding.

WHAT YOU'LL CREATE:

You'll animate your distinctive artistic vision using mixed media techniques throughout this class.

- Module 1, Introduction: We'll outline the class structure, project, and available resources.
- Module 2, Animation Fundamentals: Learn various mixed media animation techniques, including looping animation, mask animation, straight-ahead animation, and easing. Beginners will participate in a warm-up exercise to familiarize themselves with animating in Procreate Dreams.
- Module 3, Animation Application: Explore my process for designing animations, covering research, moodboarding, and infusing your style into your designs. Dive into planning and animating three projects of varying difficulty levels.
- Module 4, Class Project: Break down the class project and receive guidance on completing your project.
- Module 5, Conclusion: Reflect on the lessons learned throughout the course.

Join us on this captivating journey where imagination is the only limit. Let's unleash your creativity and bring your animations to life in stunning mixed-media fashion.
