

Schoolism – Painting with Light and Color with Dice Tsutsumi and Robert Kondo

2025-02-10 17:06:43 label 我要反馈 下载页面

Painting with Light and Color: In a series of ten videos, Robert Kondo and Dice Tsutsumi created an educational program that explains the basics of observing light and color as well as creating color scripts and telling stories. Both artists draw inspiration from their own experience in creating art for studios such as Pixar as well as Blue Sky, for films such as Toy Story 3, Monsters University, Robots, and Ratatouille. The course was designed to present their techniques and experiences so that you can use them in your work.
