REQUISITE is a set of basic color presets and LUTs that are designed to subtly alter the color of an image and its value. Utilize these LUTs and Presets to make your videos and images a simple but simple appearance.

Requisite has both Color and Black white looks. It is designed to respect your white BALANCE, EXPOSURE SETTINGS, AND Creative CHOICES. It is essential to have an existing contract in order to give your SHOWERS A creative edge in creating A COHESIVE AESTHETIC preference.
