In a tribute to the instrument's iconic legacy, the EKX for EZkeys 2 meticulously incorporates two pianos from distinct eras chosen from a collection of lovingly restored instruments. Together, they encapsulate the full spectrum of tones—from the raw, gritty growl to the velvety, smooth allure, spanning decades of soulful expression.

This EKX offers a glimpse into the nostalgic charm of yesteryears and the funk-infused vibes of the '70s and transitions seamlessly into the lush neo-soul and beat-driven sounds of the modern era. The package not only includes a rich variety of sounds but also boasts mix-ready presets and a treasure trove of MIDI inspired by soulful compositions spanning from the '60s to the present day.

For those dedicated to infusing their soulful compositions with authenticity and character, this EKX is an indispensable addition to EZkeys 2. Whether you seek a sonic journey through the soulful ages or a fusion of past and present tones, this collection delivers an unparalleled experience.

Embark on a soulful expedition with two classic electric pianos carefully chosen from the vibrant eras of the 1970s and 1980s. Recorded with meticulous attention to detail at Toontrack Studio in 2023, this EKX promises a distinctive palette of sounds with mix-ready presets, accompanied by an inspiring collection of MIDI to breathe life into your compositions, capturing the spirit of soul from its roots to the contemporary stage.

What is Toontrack Soul Roads EKX?

Toontrack Soul Roads EKX is a virtual instrument expansion pack designed to pay homage to the iconic Rhodes electric piano. It features meticulously sampled electric pianos from different eras, carefully chosen and lovingly restored to capture the full spectrum of tones—from raw and gritty to smooth and velvety.
