Wedding Invitation - AE Project VH-45106221: Five beautiful wedding invitation animations. Design wedding invitations with flowers in just a few seconds.

Directly using After Effects, select a wedding invitation and create your Wedding Titles.

We are incorporating hand-drawn floral elements to create the perfect wedding invite.

- Compatibility with After Effects Versions of CC2021.
- No plugins required
- Easy to use, already-designed wedding themes.
- A friendly interface.
- A help video that is easy to follow is included.
