CopyGen v1.3.0 AI Writer & Copywriting Landing Page HTML Template NULLED

2024-12-28 22:53:27

CopyGen is a responsive website template for AI Content Writing/Generator websites. We designed this template to help you create your brand-new AI Content Writing website just as you want it. Suppose you want to build a website for AI Writer, Copywriting, OpenAI Content Generator, or AI Content Writing website. In that case, the CopyGen template is the ideal choice to create your site.

CopyGen Template is fully customizable and user-friendly, and it appears excellent on all devices, such as tablets, desktops, and smartphones. This template was created using Bootstrap 5, HTML5, CSS3, Vanilla JS, SASS, and Gulp. It has 5 Homepage/Landing pages and 20+ inner pages prebuilt. It's built with a well-organized folder structure and clean and commented code. We've utilized gulp-based build tools and a stylesheet built on scss variable variables to allow you to quickly alter the font sizes, colors, and colors within the variable files.

CopyGen Landing Page HTML Template Great Features:
